

51st IFTDO World Conference & Exhibition 2025

17-19 June 2025 | Mulia Hotel, Jakarta, Indonesia

Theme: The Future of People and Adaptive Organisation in the Digital Era

1st Announcement

Welcome to the 51st IFTDO World Conference & Exhibition 2025.

As we navigate the transformative tide of the digital era, one truth resonates louder than ever: organisations' success lies in their ability to evolve while keeping people at the heart of their strategies. The 51st IFTDO Annual Conference, hosted in vibrant Indonesia, marks a historic milestone as the first time in 51 years that this prestigious event is being held in Indonesia. This conference is a global platform to explore the powerful synergy between technology, human potential, and leadership in an ever-changing digital landscape.

Under the theme "The Future of People and Adaptive Organisation in the Digital Era," this conference addresses the urgent need for organisations to thrive amidst groundbreaking advancements like artificial intelligence, automation, and blockchain. Yet, at the core of this transformation are the people-innovative, agile, and visionary individuals who drive meaningful change and create resilient, inclusive, and future-ready organisations.

This year's conference will also feature an exhibition of cutting-edge learning technologies and global management and training solutions. This will provide attendees with hands-on opportunities to explore the latest tools and innovations designed to enhance organisational learning, leadership, and performance.

Join a distinguished gathering of global thought leaders, industry trailblazers, and experts as we delve into strategies for building adaptive organisations, redefining leadership in disruptive times, and fostering inclusive workplaces. Through engaging keynotes, thought-provoking panel discussions, and real-world case studies, we will uncover actionable insights to empower people and harness cutting-edge technologies for sustainable growth and long-term success. Let us embark on this transformative journey together, shaping the future of work, leadership, and organisational excellence in the digital age.

INTRODUCTION OF IFTDO

The International Federation of Training and Development Organisations (IFTDO) was founded in Geneva, Switzerland in 1972 to develop and maintain a worldwide network committed to identifying, developing and transferring knowledge, skills and technology to enhance personal growth, human performance, productivity and sustainable development. IFTDO is a UK-registered charity and non-profit organisation. It is composed of Full Members, Associate Members and reciprocal Members. All professional organisations and NGOs are based on a solid and engaged membership. Attracting and retaining members is a vital element for such organisations to continue, whether you are a small consulting firm, a prominent business enterprise, a professional society, a university, a government agency or some other organisation dedicated to human capital development and/or performance improvement, we invite you to join us.
